**ORDER**

Before the Court is the report and recommendation from United States Magistrate Judge Susan Hightower concerning Defendant's Unopposed Motion to Reverse and Remand and Enter Final Judgment, (Dkt. 9). (R. & R., Dkt. 10). The case was referred to Judge Hightower, (Dkt. 3), and Judge Hightower issued her report and recommendation on December 2, 2024. (R. & R., Dkt. 10). As of the date of this order, no party has filed objections to the report and recommendation.

Pursuant to 28 U.S.C. § 636(b), a party may serve and file specific, written objections to a magistrate judge's proposed findings and recommendations within fourteen days after being served with a copy of the report and recommendation and, in doing so, secure de novo review by the district court. When no objections are timely filed, a district court can review the magistrate's report and recommendation for clear error. *See* Fed. R. Civ. P. 72 advisory committee's note ("When no timely objection is filed, the [district] court need only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.").

Because no party has filed timely objections, the Court reviews the report and recommendation for clear error. Having done so and finding no clear error, the Court accepts and adopts the report and recommendation as its own order.

Accordingly, the Court **ORDERS** that the Report and Recommendation of the United States Magistrate Judge, (Dkt. 10), is **ADOPTED**. Defendant's Unopposed Motion to Reverse and Remand and Enter Final Judgment, (Dkt. 9), is **GRANTED**. This case is **REMANDED** to the Commissioner of Social Security for further administrative proceedings, pursuant to 42 U.S.C. § 405(g). The Court will enter final judgment by separate order.

**SIGNED** on January 6, 2025.
